To whom it may concern.

The members of the Bastrop County Bass Club will be holding their 2009 fund raising event in January to raise money for the coming year. Bastrop County Bass Club is a not-for-profit organization whose members not only enjoy Bass Fishing, but work to promote the enjoyment of the outdoors, the conservation of our natural resources and the betterment of our community. The funds raised each year by the club allow us to sponsor a number of community activities such as Kid Fishing Day and The Covert Open charity bass tournament.

How can you help? We are requesting donation of items that may be used as raffle prizes, door prizes, and awards as part of our fund raising efforts. We would greatly appreciate any items from your business, or monetary contributions should that be more desirable for you. Gift cards or discounts that may be used by the club to purchase prizes at a reduced cost or equally beneficial.

By making a donation you will not only be contributing directly to the success of our club's efforts, but will also be entitled to recognition at our events, special mention in our newsletter, and placement on the club's website. Donations of any size are welcome, but we have a number of special sponsorship opportunities available, based on the value of your donation. Sponsorship is a great way to promote your products and company to individuals interested in hunting, fishing, and the outdoors.
